IN RECOGNITION OF
Burning River 100 Endurance Days
August 2nd –August 3rd

It is a distinct privilege and great pleasure to recognize the Burning River 100, a newly created race in northeastern Ohio, and to welcome the runners participating in this race to the State of Ohio.

This race is a true test of training, speed, endurance, strength, determination and character of all who take on the challenges required for completion. Ultramarathons such as this one bring together lead runners and back of the pack athletes on one course and one trail, all hailing mutual respect and camaraderie for the other.

The Burning River 100 has been organized, planned and carried out by a dedicated group of volunteers and ultrarunners. The only recompense they will see is the success of the athletes who run the race.

Additionally this race will showcase the beauty and diversity of Ohio and attract runners from around the world and country. This race will highlight fourteen different cities from Cleveland to Akron, and will feature the beauty of the Cleveland and Summit Metroparks and the Cuyahoga Valley National Park.

THEREFORE, I, TED STRICKLAND, Governor of the State of Ohio, recognize the hard work and dedication of the individuals who organized and participate in this race and recognize

August 2-3, 2008 as
BURNING RIVER 100 ENDURANCE DAYS
